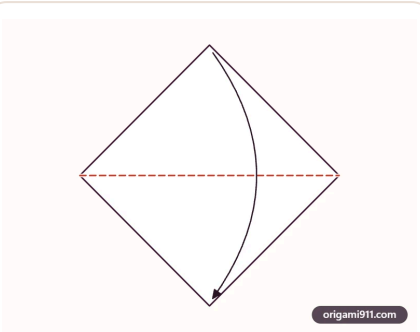
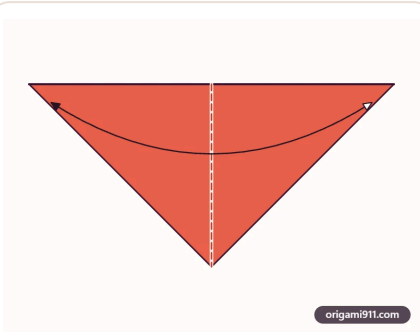
How to Make an Origami Cat Face

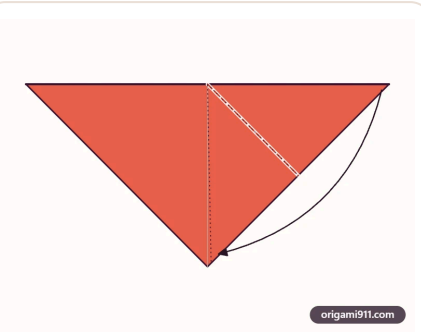
Very easy · 9 steps · about 5 minutes · One square, 15 cm (6 in) is ideal · Traditional design



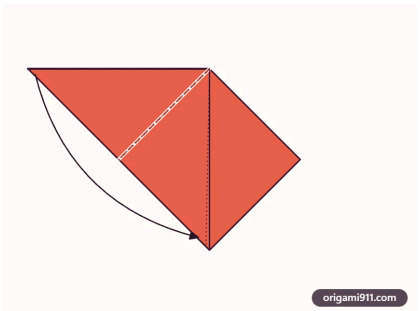
1 Fold the square into a triangle



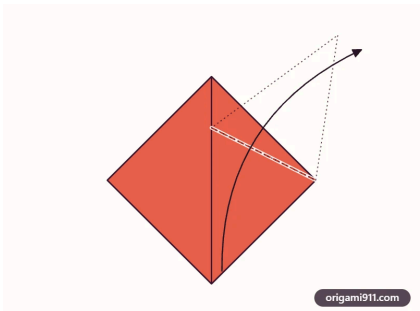
2 Crease the center



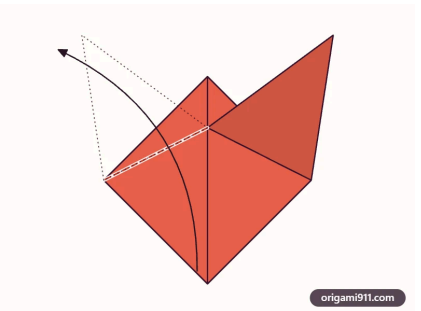
3 Fold the right corner down



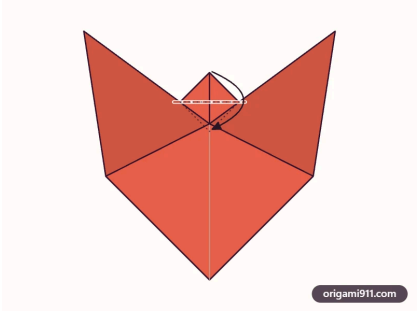
4 Fold the left corner down



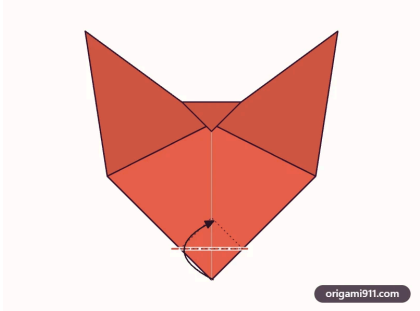
5 Make the right ear



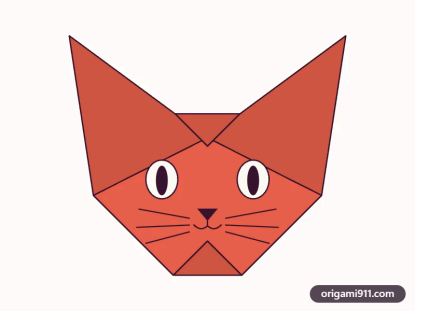
6 Make the left ear



7 Fold the top point down



8 Fold the chin up



9 Draw the face

Dashed red line = valley fold · arrow = fold direction · loop arrow = turn over
